

January 20, 1976

CLERK: Mr. President, LB 388 is a bill introduced by Senator Stull and Senator Cope. Read title. The bill was first considered February 27th, 1975. It was again considered January 13th, 1976. There are Committee amendments which have been adopted, Mr. President. There is now a motion by Senator Koch to indefinitely postpone LB 388.

PRESIDENT: Senator Koch, your motion is up next, but because of the long passage of time since our adjournment, would you be agreeable to allow either one of the introducers to state the purpose of the bill before we take up your motion to kill?

SENATOR KOCH: Mr. President, in deference to the introducers, I will withdraw that motion.

PRESIDENT: You are going to ask for unanimous consent to withdraw the motion to kill?

SENATOR KOCH: Please.

PRESIDENT: All right. Is there an objection? Seeing none, it shall be done. Senator Stull.

SENATOR STULL: Mr. President, members of the Legislature, I would like to have this bill bracketed for March 10th. We may not need this bill but I don't want to withdraw it or kill it at this time. I would like to have it bracketed for March 10th and by that time we will know whether we are going to need it or not.

PRESIDENT: Is there an objection? The bill will be bracketed until March 10th. LB 499.

CLERK: LB 499 introduced by the Labor Committee and signed by four of the members thereof. Read title. The bill was first considered on January 13th, 1976, at which time the title was read and the bill was bracketed to today. There are no Committee amendments or other amendments pending.

PRESIDENT: Senator Maresh.

SENATOR MARESH: Mr. President, I move that the bill be advanced to E & R Initial. This bill was discussed on that date and many questions were raised, and I asked for some information from the Labor Department that asked for this bill and you have on your desk a letter from Mr. James Jones from the Labor Department and I believe that he answered the questions that were raised on the floor that day. So I move that the bill be advanced.

PRESIDENT: The question is, shall LB 499 be advanced? Record your vote. Please vote. Have you voted? Record, Mr. Clerk.

CLERK: 25 ayes, 1 nay.

PRESIDENT: The bill is advanced. LB 519.
